

2026 Engineering and IT Foundation Bursary application Form Preview

General information and your privacy

All scholarship applications must be completed in full and submitted prior to the closing of the scholarship round. Partially completed forms will not be accessible after the closing date and time.

Please note: Your application is an opportunity to tell us who you are, share your passion for your research, and explain why you deserve this scholarship. If you have used an AI tool or technology such as ChatGPT to generate an output which you either paraphrase or direct quote in your response, you must cite and reference this output. If you have used an AI tool or technology in any other way in the process of completing your responses (for example, editing, or grammar), an acknowledgement of how you have used AI tools or technologies is required.

If you have any questions regarding the application process please contact:

Privacy Collection Notice

The collection of personal information by the University of Melbourne (University) is governed by the Privacy and Data Protection Act 2014 (Vic) and Health Records Act 2000 (Vic) (together, Privacy Laws). The University is also considered to be a data controller for the purposes of the EU General Data Protection Regulation 2016/679 (GDPR) in relation to the collection of personal information from individuals located in the European Union (EU), while conducting certain activities. The University is committed to protecting your privacy and processing your personal information fairly and lawfully in compliance with the Privacy Laws and the GDPR, as applicable.

The information on this form is being collected by the Faculty of Engineering and Information Technology for the purposes of administering this scholarship, including selection, awarding and reporting requirements. The information you provide will be used by members of the scholarship selection committee and may be shared with the donors of the award. We will not disclose your personal information to anybody else unless you have given consent, or we are authorised or required to do so by law.

The University stores personal information in both electronic and paper based form and does not segregate or treat personal information differently based on your geographical location. The University takes all reasonable steps to ensure that the information we hold is accurate and complete, and that we implement and maintain appropriate technical and organisational security measures to protect personal information transmitted, stored or otherwise processed, from accidental or unlawful destruction, misuse, loss, alteration, unauthorised access or disclosure.

We will retain your personal information only for as long as required for the purpose it was collected and in accordance with our legislative obligations. This information is then securely destroyed in accordance with the [University's retention and disposal authority](#).

You may request access to, or correction of, information we hold about you, or exercise rights of access, rectification, erasure and other rights under the GDPR, at any time. Please

About the scholarship

* indicates a required field

Introduction

The Engineering and IT Foundation Bursary was established by the Melbourne Engineering and IT Foundation and is offered to students in the Faculty of Engineering and IT who are experiencing disadvantage or hardship.

This bursary provides a one-off payment of up to \$2000.

Please remember to save your application regularly, as the form does not autosave.

Eligibility

To be considered for this bursary, you must:

- Be enrolled in a graduate degree by coursework in the Faculty of Engineering and IT
- Have completed at least one semester of your course.

I meet the above eligibility criteria *

☐ Yes ☐ No ☐ Unsure

School

Which school are you from? *

☐ CIS ☐ CBE ☐ EMI

If you are enrolled in a coursework degree in Computing and Information Systems, you may be eligible to apply for the Airwallex Opportunity Grant rather than this bursary.

Please apply for the [Airwallex Opportunity Grant here](#).

Selection Criteria

Applications will be assessed on the following criteria:

- A personal statement addressing:
 - how your current financial situation has affected your studies; and
 - how the funds will be used.
- Financial need: as determined by the information provided in your application, including submission of a [2026 FEIT Student Financial Assessment form](#)

Financial Assessment form

In order to assess your degree of financial need, you must submit a [2026 FEIT Student Financial Assessment form](#). This is a separate online form within SmartyGrants.

2026 Engineering and IT Foundation Bursary application Form Preview

You can submit the form at any time before the closing date for this scholarship. Your scholarship application will not be processed if you have not completed the Financial Assessment Form.

FAQs

Q. I've applied for another scholarship this year, and I've already submitted the [2026 FEIT Student Financial Assessment form](#) online. Do I need to submit another one?

A. That depends:

- If your **income or expenses have changed** - yes, you should submit a new form.
- If **nothing has changed** - no, you don't need to submit a new form.

Q. I submitted a Financial Assessment last year. Do I need to complete it again?

A. Yes please! The form must be completed anew each year to ensure your information is up to date.

•

I have submitted the FEIT Financial Assessment form:

- ☐ Yes- I have submitted the online form in the process of applying for the bursary
- ☐ Not yet- I will submit the online form before the scholarship closing date. I understand that my scholarship application will not be assessed unless i have submitted the financial assessment form before the scholarship closes.
