General information and your privacy

Engineering and IT Scholarships

All scholarship applications must be completed in full and submitted prior to the closing of the scholarship round. Partially completed forms will not be accessible after the closing date and time.

Please note: Your application is an opportunity to tell us who you are, share your passion for your research, and explain why you deserve this scholarship. If you have used an AI tool or technology such as ChatGPT to generate an output which you either paraphrase or direct quote in your response, you must cite and reference this output. If you have used an AI tool or technology in any other way in the process of completing your responses (for example, editing, or grammar), an acknowledgement of how you have used AI tools or technologies is required.

If you have any questions regarding the application process please contact:

FEIT's Scholarships and Prizes Team engit-scholarships@unimelb.edu.au

Privacy Collection Notice

The collection of personal information by the University of Melbourne (**University**) is governed by the *Privacy and Data Protection Act 2014* (Vic) and *Health Records Act 2000* (Vic) (together, **Privacy Laws**). The University is also considered to be a data controller for the purposes of the EU General Data Protection Regulation 2016/679 (**GDPR**) in relation to the collection of personal information from individuals located in the European Union (**EU**), while conducting certain activities. The University is committed to protecting your privacy and processing your personal information fairly and lawfully in compliance with the Privacy Laws and the GDPR, as applicable.

The information on this form is being collected by the Faculty of Engineering and Information Technology for the purposes of administering this scholarship, including selection, awarding and reporting requirements. The information you provide will be used by members of the scholarship selection committee and may be shared with the donors of the award. We will not disclose your personal information to anybody else unless you have given consent, or we are authorised or required to do so by law.

The University stores personal information in both electronic and paper based form and does not segregate or treat personal information differently based on your geographical location. The University takes all reasonable steps to ensure that the information we hold is accurate and complete, and that we implement and maintain appropriate technical and organisational security measures to protect personal information transmitted, stored or otherwise processed, from accidental or unlawful destruction, misuse, loss, alteration, unauthorised access or disclosure.

We will retain your personal information only for as long as required for the purpose it was collected and in accordance with our legislative obligations. This information is then securely destroyed in accordance with the [University's retention and disposal authority](#).

You may request access to, or correction of, information we hold about you, or exercise rights of access, rectification, erasure and other rights under the GDPR, at any time. Please

About the scholarship

* indicates a required field

Introduction

The George Lansell Memorial Scholarship was established with a gift from Edith Lansell and is offered to students who are enrolled in a graduate research degree in a field related to mining.

In 2026, one award of approximately \$10,100 is available.

Please remember to save your application regularly, as the form does not autosave.

Eligibility

To be eligible for this scholarship, you need to:

- Be enrolled in a graduate research degree in a field related to mining
- Have met the requirements for confirmation of your candidature.

I confirm that I meet all of the eligibility criteria listed above. *

Yes No

You must meet all eligibility criteria in order to apply and be considered for the scholarship.

Don't meet the eligibility criteria?

Your application won't progress from here.

If you're not sure whether you're eligible or have questions, email the Eng&IT Scholarships and Prizes Team at engit-scholarships@unimelb.edu.au

Selection Criteria and Process

Applications will be assessed on the following criteria:

- A personal statement addressing:
 - the academic outputs achieved during your candidature thus far
 - the activities the funds would contribute to
 - and the impact the funds will have on research outcomes
- An itemised budget.

Scholarship Conditions

Proposed Research Project

* indicates a required field

List your academic outputs that you have achieved during your candidature thus far. *

Must be no more than 250 words.

The purpose of this scholarship is to support a Graduate Researcher undertaking research in a field related to mining. Please provide a statement outlining how the scholarship funds will be used and the impact it will have on your research outcomes. *

Word count:

Must be no more than 400 words.

Funding Costs

Expenses

Please itemise your budget in the table below outlining relevant expenses in relation to the activities you have outlined in your application.

- **Expenditure amount:** please ensure all amounts are in AUD. If expenses were in a foreign currency, please include that amount under the '*details section*'. I.e. 450 USD.
- If in expenditure amount you are putting in the cost for a number of days, in the details section please indicate the cost per day. I.e. accommodation \$120 per night for 6 nights. Meals \$90 per day for 7 days.
- Expense items might include things such as flights, accommodation, program registration costs, transport and meals.

Refer to our [Budget FAQ page](#) if you are unsure *how to fill in the budget table* and to see *what reasonable amounts are*.

Please note that the reasonableness and practicality of the proposed budget is taken into consideration when assessing your application.
