General information and your privacy

Engineering & IT Scholarships

All scholarship applications must be completed in full and submitted prior to the closing of the scholarship round. Partially completed forms will not be accessible after the closing date and time.

Please note: Your application is an opportunity to tell us who you are, share your passion for your research, and explain why you deserve this scholarship. If you have used an AI tool or technology such as ChatGPT to generate an output which you either paraphrase or direct quote in your response, you must cite and reference this output. If you have used an AI tool or technology in any other way in the process of completing your responses (for example, editing, or grammar), an acknowledgement of how you have used AI tools or technologies is required.

If you have any questions regarding the application process please contact:

FEIT Scholarships and Prizes Team engit-scholarships@unimelb.edu.au

Privacy Collection Notice

The collection of personal information by the University of Melbourne (**University**) is governed by the *Privacy and Data Protection Act 2014 (Vic)* and *Health Records Act 2000 (Vic)* (together, **Privacy Laws**). The University is also considered to be a data controller for the purposes of the EU General Data Protection Regulation 2016/679 (**GDPR**) in relation to the collection of personal information from individuals located in the European Union (**EU**), while conducting certain activities. The University is committed to protecting your privacy and processing your personal information fairly and lawfully in compliance with the Privacy Laws and the GDPR, as applicable.

The information on this form is being collected by the Faculty of Engineering & IT for the purposes of administering this scholarship, including selection, awarding and reporting requirements. The information you provide will be used by members of the scholarship selection committee and may be shared with the donors of the award. We will not disclose your personal information to anybody else unless you have given consent, or we are authorised or required to do so by law.

The University stores personal information in both electronic and paper based form and does not segregate or treat personal information differently based on your geographical location. The University takes all reasonable steps to ensure that the information we hold is accurate and complete, and that we implement and maintain appropriate technical and organisational security measures to protect personal information transmitted, stored or otherwise processed, from accidental or unlawful destruction, misuse, loss, alteration, unauthorised access or disclosure.

We will retain your personal information only for as long as required for the purpose it was collected and in accordance with our legislative obligations. This information is then securely destroyed in accordance with the [University's retention and disposal authority](#).

You may request access to, or correction of, information we hold about you, or exercise rights of access, rectification, erasure and other rights under the GDPR, at any time. Please

About the scholarship

* indicates a required field

Stawell Scholarship

The Stawell Scholarship was established with a gift from Sir William Foster Stawell and is offered to students who are enrolled in a graduate research degree in the field of Engineering.

In 2026, one award valued at approximately \$6,900 is available.

You can also use this form to indicate your preference to be considered for the John Melvin Memorial Scholarship. Please see below.

Please remember to save your application regularly, as the form does not autosave.

John Melvin Memorial Scholarship

The John Melvin Memorial Scholarship was established with a gift from James Gossip Melvin and Margaret Drew Melvin and is awarded to graduate researchers undertaking research in the field of Engineering. More information can be found on our [webpage](#).

In 2026, one award valued at approximately \$2,000 is available.

No separate application is required. Eligible applicants will automatically be considered based on the information provided in this application.

I would like to be considered for the John Melvin Memorial Scholarship as well as the Stawell Scholarship. *

Yes No

Eligibility

To be eligible for this award, you must:

- Be enrolled in a graduate research degree in a field of Engineering with the Faculty of Engineering and IT
- Have met the requirements for confirmation of your candidature
- Have an Academic Status of Good Standing.

I confirm that I meet all eligibility requirements of this scholarship *

Yes No

You must meet ALL of the eligibility criteria in order to be considered for this scholarship

Don't meet the eligibility criteria?

Your application won't progress from here.

If you're not sure whether you're eligible or have questions, email FEIT Scholarships and Prizes Team at engit-scholarships@unimelb.edu.au

Selection Criteria and Process

Applications will be assessed on the following criteria:

- A personal statement addressing:
 - academic outputs achieved during your candidature thus far
 - the activities the funds would contribute to (such as travel or research collaboration)
 - the impact they will have on your research outcomes
- An itemised budget.

Scholarship Conditions

Students must provide a brief report on the activities carried out using the scholarship funds if requested.

Must be no more than 400 words.

Funding & Costs

Expenses

Please itemise your budget in the table below outlining relevant expenses in relation to the activities you have outlined in your application.

- **Expenditure amount:** please ensure all amounts are in AUD. If expenses were in a foreign currency, please include that amount under the 'details section'. I.e. 450 USD.
- If in expenditure amount you are putting in the cost for a number of days, in the details section please indicate the cost per day. I.e. accommodation \$120 per night for 6 nights. Meals \$90 per day for 7 days.
- Expense items might include things such as flights, accommodation, program registration costs, transport and meals.

Refer to our [Budget FAQ page](#) if you are unsure *how to fill in the budget table* and to see *what reasonable amounts are*.

Please note that the reasonableness and practicality of the proposed budget is taken into consideration when assessing your application.
