General information and your privacy

FEIT Scholarships

All scholarship applications must be completed in full and submitted prior to the closing of the scholarship round. Partially completed forms will not be accessible after the closing date and time.

Please note: Your application is an opportunity to tell us who you are, share your passion for your research, and explain why you deserve this scholarship. If you have used an AI tool or technology such as ChatGPT to generate an output which you either paraphrase or direct quote in your response, you must cite and reference this output. If you have used an AI tool or technology in any other way in the process of completing your responses (for example, editing, or grammar), an acknowledgement of how you have used AI tools or technologies is required.

If you have any questions regarding the application process please contact:

FEIT Scholarships and Prizes engit-scholarships@unimelb.edu.au

Privacy Collection Notice

The collection of personal information by the University of Melbourne (University) is governed by the Privacy and Data Protection Act 2014 (Vic) and Health Records Act 2000 (Vic) (together, Privacy Laws). The University is also considered to be a data controller for the purposes of the EU General Data Protection Regulation 2016/679 (GDPR) in relation to the collection of personal information from individuals located in the European Union (EU), while conducting certain activities. The University is committed to protecting your privacy and processing your personal information fairly and lawfully in compliance with the Privacy Laws and the GDPR, as applicable.

The information on this form is being collected by the Faculty of Engineering and Information Technology for the purposes of administering this scholarship, including selection, awarding and reporting requirements. The information you provide will be used by members of the scholarship selection committee and may be shared with the donors of the award. We will not disclose your personal information to anybody else unless you have given consent, or we are authorised or required to do so by law.

The University stores personal information in both electronic and paper based form and does not segregate or treat personal information differently based on your geographical location. The University takes all reasonable steps to ensure that the information we hold is accurate and complete, and that we implement and maintain appropriate technical and organisational security measures to protect personal information transmitted, stored or otherwise processed, from accidental or unlawful destruction, misuse, loss, alteration, unauthorised access or disclosure.

We will retain your personal information only for as long as required for the purpose it was collected and in accordance with our legislative obligations. This information is then securely destroyed in accordance with the [University's retention and disposal authority](#).

Please refer to our [Privacy webpage](#) for information on how to contact us about privacy, how to lodge a complaint and for the contact details of the University's Privacy and Data Protection Officer.

About the scholarship

* indicates a required field

Introduction

This scholarship supports female and non-binary students entering the Master of Chemical Engineering. It is a companion scholarship to the [Loxton Scholarship in Engineering](#), which supports male students entering the same course.

Two scholarships of \$20,000 each are available. Each scholarship will be paid across biannual instalments for a period of two years after course commencement in 2027.

Please remember to save your application regularly, as the form does not autosave.

Eligibility

To be eligible for this scholarship, you need to be:

- identify as a woman or non-binary*
- an Australian citizen or permanent resident
- intending to commence the University of Melbourne [Master of Chemical Engineering](#) in either the start-year or mid-year intake in 2027

*Male students can apply for the companion [Loxton Scholarship in Engineering](#), which is awarded concurrently.

I meet all of the above eligibility criteria and am eligible to apply for this scholarship *

☐ Yes ☐ No

You must meet ALL of the eligibility criteria in order to be considered.

Scholarship Conditions

Scholarship recipients must:

- commence the Master of Chemical Engineering degree in either the 2027 start or mid-year intake.
- be deemed as making satisfactory progress throughout the duration of the scholarship.

Otherwise the scholarship may be revoked.

Don't meet the eligibility criteria?

Your application won't progress from here.

If you're not sure whether you're eligible or have questions, email FEIT's Scholarships and Prizes Team at engit-scholarships@unimelb.edu.au

Selection Criteria and Process

Applications will be assessed on the following criteria:

- **Academic merit**- determined by your current WAM if still studying, or the final WAM of your most recently completed engineering-related degree course
- **Personal statement addressing:**
 - your interest and study/career aspirations in the chemical engineering discipline
 - the proposed impact the scholarship will have

This application form will require the following attachments to be uploaded in PDF format:

- Most recent academic transcript or current results
